Market leading office pods and privacy solutions

silen

Who is Silen?

Silen is an experienced team of workspace privacy experts and a manufacturer of market-leading office pods and privacy solutions. We offer every workspace the opportunity to focus and find peace of mind in a world where there is too much noise. Headquartered in Estonia, we thrive on shaping the global office culture of tomorrow with our innovative, flexible, and sustainable solutions for the modern hybrid working model.

Silen is represented on **6 continents** with an active sales network in **60 countries**
Silen operates **7 regional warehouses** (including United States) and offers
the largest collection of office pods and privacy solutions
for indoor and outdoor work environments.

Sustainable quality

A healthy, well-functioning product is made of healthy, well-functioning parts. This is why all Silen products are safe to use for everyone. How did we achieve this? By only using materials that conform and comply with the strictest regulations available. **Since May 2022 all Silen products are CarbonNeutral® certified. From June 2023, Silen uses SEAQUAL® YARN marine plastic fabric across its entire product range.**

Our commitment to a healthy tomorrow is made visible through the certifications and labels awarded to the materials we use.

Silen is the global innovation leader in our industry.
