silen SPACE GEN 2

Silen Space Meet

Collaboration space for allies

A comfortable meeting space, ideal for two and spacious enough for up to four people. Step away from office noise and distractions to meet, create, and collaborate.

1–4 people

Timeless design excellence
A precise blend of engineering quality and top-level design expertise. Light, refined, and created to fit naturally into any environment.

Ultimate two-way privacy
Premium level noise reduction that provides complete acoustic privacy in both directions.

Comfort perfected
Airflow that exceeds office standards, advanced ventilation and EchoFree Gen 2 acoustics. Ergonomic furniture, preset lighting modes, full personal control.

Flexibility redefined
A lighter structure, compact modules, fast and easy assembly, easy relocation, and long-lasting durability. Built to adapt as needs change.

Endless customization
Silen Dynamics allows both interior and exterior finishes to be easily swapped. Furniture is replaceable, accessories can be added later, and pods stay fresh for years.

Sustainability at the core
Responsible materials, high recyclability, reduced emissions, and a structure designed for more than 20 years of renewability and circular use.
