

# Silen Space Max

**Big teams, deep missions**

From focused planning and brainstorming sessions to a war room where team leads can tackle a crisis, it's big in here. Spacious enough to feel like a loft.

 1–8 people

## Ultimate two-way privacy

Market-leading in performance. Blocks 41 dB outside noise, 31 dB (Class A) inside speech. Office-tested, ISO-approved in the laboratory.

## Comfortable

Ergonomic, quiet, echo-free, and speech-optimized. Automated LEDs and ventilation. Over twice the standard airflow rate.

## Movable

Hidden wheels allow effortless relocation in the office. Prefabricated design offers easy disassembly and reassembly when moving.

## Spacious

Ample space to sit, stretch, stand, and move around. Available with furniture of your choice.

## Endless customization

Swap side skins and cover trims with a snap of a magnet. Choose from a variety of colors, fabrics, and furnishing options.

## Modularity

The modular design enables changing the pod size whenever needed. Add modules to create bigger spaces or split larger pods into smaller spaces.

## Sustainable

Renewable materials used with a 20+ year lifespan. Designed sustainably across materials, production, and impact on surrounding environments.

## Andromeda

Space Max Andromeda set is the largest movable meeting room available on the market. The full-sized meeting room is perfect for up to 10 people and doors on both ends make it easy to enter and exit. The double-sized Space Max works great as a room separator to create different zones in the office. As a modular product, it can also be split into two regular Space Max pods.

### INCLUDES:

- Space Max with an extension module
- Extra door
- Screen bracket and power outlets on side wall
- Meeting table with central bases for up to 10 people

### MEETING TABLE FOR DOUBLE SPACE MAX

**Table top finish:** White or black Fenix NTM laminate with beveled plywood edge, powder coated table leg (black). Includes cable trays
