

Silen Space Max

Big teams, deep missions

From focused planning and brainstorming sessions to a war room where team leads can tackle a crisis, it's big in here. Spacious enough to feel like a loft.

1-8 people

Ultimate two-way privacy

Market-leading in performance. Blocks 41 dB outside noise, 31 dB (Class A) inside speech. Office-tested, ISO-approved in the laboratory.

Comfortable

Ergonomic, quiet, echo-free, and speech-optimized. Automated LEDs and ventilation. Over twice the standard airflow rate.

Movable

Hidden wheels allow effortless relocation in the office. Prefabricated design offers easy disassembly and reassembly when moving.

Spacious

Ample space to sit, stretch, stand, and move around. Available with furniture of your choice.

Endless customization

Swap side skins and cover trims with a snap of a magnet. Choose from a variety of colors, fabrics, and furnishing options.

Modularity

The modular design enables changing the pod size whenever needed. Add modules to create bigger spaces or split larger pods into smaller spaces.

Sustainable

Renewable materials used with a 20+ year lifespan. Designed sustainably across materials, production, and impact on surrounding environments.

Space Max furnishing options

Andromeda

Space Max Andromeda set is the largest movable meeting room available on the market. The full-sized meeting room is perfect for up to 10 people and doors on both ends make it easy to enter and exit. The double-sized Space Max works great as a room separator to create different zones in the office. As a modular product, it can also be split into two regular Space Max pods.

INCLUDES:

- Space Max with an extension module
- Extra door
- Screen bracket and power outlets on side wall
- Meeting table with central bases for up to 10 people

MEETING TABLE FOR DOUBLE SPACE MAX

Table top finish: White or black Fenix NTM laminate with beveled plywood edge, powder coated table leg (black). Includes cable trays
